

Instructor Recognition

Ohio Technical College recognizes the important developmental role of High School instructors and rewards their commitment with the following:

1. *Ohio Technical College Instructor Seminar Scholarship*

\$4,000 per eligible student

- The instructor must have attended the most recent full course of study at the OTC Summer Seminar;
- The student must be a properly registered high school student; and
- The instructor must have instructed the student during that student's junior or senior year.

2. *Ohio Technical College Instructor Alumnus Scholarship*

\$1,500 per eligible student

- Student must be properly registered and attending a secondary education institution that employs an educational instructor who previously completed a diploma or degree program at Ohio Technical College;
- Student must be actively attending a class offered by the above instructor or the department to which the instructor is assigned during the student's senior year in high school (student must be a senior); and
- The scholarship must be awarded no later than May 31st of each calendar year. Additional terms apply.

President's Open House Scholarship

Schedule your visit now!

This grant is offered competitively to those who attend a virtual open house or campus visit and complete OTC's special scholarship process.

Overall Provisions and Limitations

Please note that this pamphlet is a summary of most, but not all forms of scholarships and grant aid available from Ohio Technical College as of the date of printing. Please consult our Financial Aid Department regarding your particular situation. In addition, all aid referenced in this publication is subject to the overall Scholarship Policy of Ohio Technical College.

Ohio Technical College

Scholarships

The information in this pamphlet will show you how we have been helping students afford their education for 50 years!

Competition

Ohio Technical College awards students for their success at the following competitions:

- SkillsUSA
- Future Farmers of America
- Michigan Industrial & Technology Education (MITES)
- Midwest Welding Tournament Competition
- Automobile Dealers Association Events
- Hot Rodder's of Tomorrow Engine Challenge

Awards range from \$500 to 50% of program tuition depending upon the level of the competition (Regional, State, National) and the student's final placement in the competition

Ohio Technical College Alumnus Grant

\$1,500 per eligible student

- The student must be a properly registered high school student;
- The student must be related to an Immediate Family Member who previously completed a diploma or degree program at Ohio Technical College; and
- A student will only be allowed to utilize a maximum of \$1,500 of any alumnus-based scholarship or grant per program enrollment.

Academic

Ohio Technical College offers Awards for various academic achievements:

1. *Ohio Technical College Commitment to Excellence Academic Award* **Maximum value in \$5000**

- The award is variable based upon a weighted average of a successfully graduated student's final overall High School GPA (4 year) (65%) and the student's combined High School GPA for his/her Junior and Senior years (35%).

2. *Ohio Technical College Commitment to Technical Excellence Award*

- **Maximum value is \$5,000;**
- Variable based upon independently operated industry-based credentials and partner industry certification testing regimen (i.e. NOCTI).

3. *Associate Degree Class Credit*

- This is a qualified tuition reduction for relevant coursework taken at another institutions satisfying OTC educational requirements.

Your school may also have information about scholarships that you may be eligible for. Check with your councilor or high school office
